

**HedgePole**, with over ten years of experience and offices in Switzerland and Poland, is a well-established independent financial services organization with focus on the alternative investment funds reference data and operations. We work with global institutions, investors, banks and service providers for hedge funds price collection, static data maintenance and middle office operations.

From our Polish subsidiary, **HedgePole (Polska) Sp. z o.o.** in Poznan, we are providing specialized back and middle office services for worldwide located Hedge Funds and Fund of Hedge Funds as well as their service providers.

We are currently expanding our hedge funds price and data collection team and looking for a

### **Fund Data Administrator (60%-100%)**

#### **Who will be responsible for:**

- validation and verification of hedge funds valuations;
- hedge fund data analysis and processing in the proprietary system;
- correspondence with hedge funds' managers and administrators.

#### **Our requirements for this position include:**

- flair for numbers and strong attention to detail;
- good organizational skills with ability to work with deadlines;
- willingness to work in an international, fast-paced environment;
- good written and spoken English;
- working knowledge of Microsoft Office Applications.

We offer a flexible working arrangement in a young and motivated team with an opportunity to participate in project work and initiatives with an international clientele; professional trainings on the alternative investment industry as well as an opportunity to learn on the job. This position will be accompanied by an attractive compensation package and additional benefits.

If you find our offer attractive and you have the right qualifications please send your **CV with a cover letter in English** to [HR@hedgepole.com](mailto:HR@hedgepole.com).
